GENERAL CONDITIONS

- No cover will come into force, or continue in force, under sections 1,2,3,4 and 5, unless each **insured person**, who by reason of the Important Health Requirements must make a **medical health declaration** in respect of the period for which insurance is required, has declared ALL **pre-existing medical conditions** to **us** and they have been formally accepted by **us** in writing.
- Any medical information supplied in a **medical health declaration** will be treated in the strictest confidence, will be used solely for **our** own internal purposes for the assessment of the risk, and will not be disclosed to any outside person or authority without the specific approval of the person whose details are shown in the **medical health declaration**. **We** shall not refuse cover unless, in **our** opinion, the risk associated with the particular person travelling is substantially greater than that represented by the average healthy traveller. The cost of any medical evidence produced in connection with a **medical health declaration** shall be borne by **you**.
- You** must exercise reasonable care for the supervision and safety of both **you** and **your** property. **You** must take all reasonable steps to avoid or minimise any claim. **You** must act as if **you** are not insured.
- You** must avoid needless self-exposure to peril unless **you** are attempting to save human life.
- We** will make every effort to apply the full range of services in all circumstances dictated by the terms and conditions. Remote geographical locations or unforeseeable adverse local conditions may preclude the normal standard of service being provided.
- You** must comply in full with the terms and conditions of this policy before a claim will be paid. Please read this policy carefully, and if **you** are unsure as to what is covered or excluded, contact the Travel Helpline as quoted on **your certificate** of insurance.
- In the event of an emergency or any occurrence that may give rise to a claim for more than £500 under this insurance, **you** must contact **us** as soon as possible. **You** must make no admission of liability, offer, promise or payment without **our** prior consent. **Please Telephone us first**.
- We** are entitled to take over **your** rights in the defence or settlement of a claim, or to take proceedings in **your** name for **our** own benefit against another party and **we** shall have full discretion in such matters. This is to enable **us** to recover any costs **we** have incurred from any third party who may have liability for the costs.
- We** may, at any time, pay to **you our** full liability under this policy after which no further liability shall attach to **us** in any respect or as a consequence of such action.
- Where it is possible for **us** to recover sums that **we** have paid out under the terms of the policy, **you** will co-operate fully with **us** in any recovery attempt **we** make and **we** will pay all costs associated with the recovery of **our** outlay. **You** agree not to take any action that may prejudice **our** recovery rights and will advise **us** if **you** instigate proceedings to recover compensation arising from any incident which has led to a successful claim against this policy. The sums **we** have paid out under the terms of the policy will be reimbursed from any recovery made.
- You** must take all practicable steps to recover any article lost or stolen and to identify and ensure the prosecution of the guilty person(s). **We** may at any time and at **our** expense take such action as **we** deem fit to recover the property lost or stated to be lost.
- In the event of a valid claim **you** shall allow **us** the use of any relevant **travel documents you** are not able to use because of the claim.
- If a claim arises from or is related to an assault or deliberate injury to an Insured by a third party, a police report must be provided before the claim can be validated and any payment made.
- You** must notify **us** in writing of any event which may lead to a claim, within 28 days of **your** return home. As often as **we** require, **you** shall submit to a medical examination at **our** expense. In the event of the death of an **insured person we** shall be entitled to have a post mortem examination carried out at **our** expense. **You** must supply **us** with a written statement substantiating **your** claim, together with (at **your** own expense) all certificates, information, evidence and receipts that **we** reasonably require.
- If any fraudulent claim is made or if any fraudulent means or devices are used to obtain any benefit under the insurance, this policy shall become void and the premium paid shall be forfeited. Any benefits so claimed and received must be repaid to **us**.
- We** may give 7 days notice of cancellation of this policy by recorded delivery to **you** at **your** last known address. In this case **we** shall refund to **you** the unexpired pro-rata portion of the premium **you** have paid, subject to there having been no known claims or losses.
- If any dispute arises as to the policy interpretation, or as to any rights or obligations under this policy, **we** offer **you** the option of resolving this by using the arbitration procedure **we** have arranged. Please see the details shown under Customer Satisfaction. Using this service will not affect **your** legal rights. If **you** are unsure of **your** legal rights, **you** should contact the Citizens' Advice Bureau.
- You** will be required to repay to **us**, within one month of **our** request to **you**, any costs or expenses **we** have paid on **your** behalf which are not covered under the terms and conditions of this policy.
- This policy is subject to the Laws of England and Wales unless **we** agree otherwise. The courts of England and Wales alone shall have jurisdiction in any disputes.
- You** must pay the appropriate premium for the full number of days comprising **your** planned trip. If **you** travel for more than the number of days for which **you** have paid for cover, **you** will not be covered after the last day for which **you** have paid.
- When engaging in any sport or holiday activity (not excluded under General Exclusion 14) **you** must accept and follow the supervision and tuition of experts qualified in the pursuit or activity in question, and **you** must use all appropriate precautions, equipment and protection.
- Categories A and B of the **special sports & activities**, and **winters sports**, are covered only if **you** have paid the appropriate additional premium required, before departure from **your home country**.
- Although **we** are prepared to cover **you** when undertaking certain sports and activities, the availability of the insurance cover does not, in itself, imply that **we** consider such sports and activities as safe. At all times **you** must satisfy **yourself** that **you** are capable of safely undertaking the planned sport or activity and **you** must take care to avoid injury, accident or loss to **yourself** and to others.
